The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF PROPOSITION A AGREEMENT FOR DENTAL SERVICES
(SUPERVISORIAL DISTRICT 2)
(3 VOTES)**

SUBJECT

Request approval of a new Proposition A agreement with Roger P. Fieldman, DDS, Inc. to provide dental services at H. Claude Hudson Comprehensive Health Center.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Make a finding pursuant to Los Angeles County Code Section 2.121.420 that the dental services, as described herein, can be performed more economically by an independent contractor.
2. Instruct the Mayor to execute an Agreement with Roger P. Fieldman, DDS, Inc. (Dr. Fieldman) for dental services at H. Claude Hudson Comprehensive Health Center (Hudson), effective upon Board approval, for the period of July 1, 2011 through October 31, 2012, with a maximum obligation of \$1,070,436, and with an option to extend the Agreement up to six months.
3. Delegate authority to the Director of Health Services (Director), or his designee, to execute amendments to the Agreement that extend the term of the Agreement beyond the expiration date of October 31, 2012, for a maximum of six months, subject to mutual written agreement by both parties, at a cost

not to exceed \$401,413 for the six months, and to add or change non-substantive terms and conditions in the Agreement as required by your Board.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the first recommendation is necessary to comply with Proposition A (Prop A) guidelines described in Los Angeles County Code section 2.121.420. Contracting under Prop A requirements has been determined to be cost-effective and operationally feasible for the provision of dental services at Hudson. The Auditor-Controller (A-C) did not perform a cost analysis since the annual contract cost did not meet the \$1,000,000 threshold for review. However, the Department of Health Services (DHS) has prepared a cost analysis (Attachment A) in accordance with A-C guidelines and methodologies, and determined the contract to be cost-effective.

Approval of the second recommendation will authorize the Mayor to execute an Agreement (Exhibit I) with Dr. Fieldman to provide dental services at Hudson. Hudson dental patients shall receive diagnostic, preventive, and restorative dental services which shall include, but are not limited to, dental support services, charting to dental records, and administrative management at Hudson. Under the proposed Agreement, Dr. Fieldman will be reimbursed at a basic monthly charge for the dental services that will be provided. The current Agreement is slated to expire on June 30, 2011.

DHS is requesting an abbreviated term for this recommended Agreement in order to align the term of Hudson's Agreement with the terms of the four other Comprehensive Health Centers' (CHC) Prop A dental service agreements which expire on October 31, 2012. The Department will release a Request for Proposals (RFP) for dental services for the five CHCs in 2011 with successor Agreements targeted for Board approval prior to the expiration of all five Agreements.

Approval of the third recommendation will authorize the Director, or his designee, to exercise the option to extend the term of the Agreement for up to six months. In compliance with Los Angeles County Code section 2.121.300, the Agreement contains an express delegation of this authority to the Director. Approval of this recommendation will also allow the Director to add or change non-substantive terms and conditions in the Agreement as required by your Board.

Implementation of Strategic Plan Goals

The recommended actions support Goal 4, Health and Mental Health, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

The maximum obligation for the provision of dental services at Hudson is \$1,070,436 for the entire contract term as identified in Attachment B. Funding is included in DHS' Fiscal Year 2011-12 Recommended Budget and will be requested in future fiscal years, as necessary.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Dental services fall under Prop A guidelines and are subject to the provisions of the County's Living Wage Program set forth in County Code Chapter 2.201. Dr. Fieldman is in compliance with the Living Wage Program requirements.

The Department has determined that contract dental services continue to be cost-effective and

operationally feasible. There is no employee impact as a result of this Agreement because services are currently contracted.

This Agreement may be terminated for convenience by the County upon 10 days' prior written notice to the Contractor.

County Counsel has reviewed and approved Exhibit I as to use and form. It contains your Board's required contract provisions and includes the County's standard provisions as to indemnification and insurance to address tort liability.

CONTRACTING PROCESS

On February 26, 2010, DHS released a RFP to identify the most qualified proposers for Prop A Dental Services at Hudson. The RFP was posted on the County Website and advertised in local newspapers, and a notice of intent to issue an RFP was mailed to firms listed on the DHS vendors list.

A mandatory proposers' conference and facility site visit was held at Hudson on April 7, 2010. Three potential proposers attended this conference. By the proposal submission deadline of May 27, 2010, DHS received two proposals. Proposals were evaluated using a two-phase selection process. Phase I was the Pass/Fail Evaluation of minimum mandatory requirements as stated in the RFP.

Phase II was an evaluation conducted by an Evaluation Committee comprised of DHS representatives familiar with dental services and subject matter experts. The informed averaging process was utilized. At the conclusion of Phase II, Dr. Fieldman was the top-ranked proposer and is therefore being recommended for an Agreement. The Department has received a Letter of Intent from the recommended proposer.

A debriefing was offered, and given, to the non-selected proposer, Dr. Williams, who subsequently requested a Proposed Contractor Selection Review, which is the initial step in the County Protest Process. DHS completed the Review and communicated in writing to Dr. Williams that the results of the RFP and in particular the score of his firm's proposal remained unchanged. Dr. Williams was not satisfied with the results and requested a County Review Panel. The County Review Panel found in favor of the Department and recommended award of the Agreement to the selected proposer, Dr. Fieldman.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommended Agreement will ensure the continued and uninterrupted provision of Prop A dental services at Hudson.

8.9.2 Written Employee Jury Service Policy.

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for

such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

2. For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the County under the Agreement, the Subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If the Contractor is not required to comply with the Jury Service Program when the agreement commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately

notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.

4. Contractor's violation of this sub-paragraph of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar the Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

8.10 CONFLICT OF INTEREST

- 8.10.1 No County employee whose position with the County enables such employee to influence the award or administration of this Agreement or any competing Agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Agreement. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or

in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

8.10.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Agreement. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph shall be a material breach of this Agreement.

**8.11 CONSIDERATION OF HIRING COUNTY EMPLOYEES
TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST**

Should the Contractor require additional or replacement personnel after the effective date of this Agreement to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Agreement.

Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

- 8.12.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.13 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.13.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Agreement. It is the County's policy to conduct business only with responsible Contractors.

8.13.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all

existing Agreements the Contractor may have with the County.

8.13.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a

recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer

than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

Agreement terms and conditions and performance standards identified in the Statement of Work. Contractor deficiencies which the County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Supervisors.

The report will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Agreement or impose other penalties as specified in this Agreement.

8.18 DAMAGE TO COUNTY FACILITIES, BUILDINGS OR GROUNDS

8.47.2 In the event that the County terminates this Agreement in whole or in part as provided in sub-paragraph 8.47.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Agreement to the extent not terminated under the provisions of this sub-paragraph.

8.47.3 Except with respect to defaults of any Subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 8.47.2 if its failure to perform this Agreement arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and Subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such

excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "Subcontractor(s)" means Subcontractor(s) at any tier.

8.47.4 If, after the County has given notice of termination under the provisions of this sub-paragraph 8.47, it is determined by the County that the Contractor was not in default under the provisions of this sub-paragraph 8.47, or that the default was excusable under the provisions of sub-paragraph 8.47.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.46 - Termination for Convenience.

8.47.5 The rights and remedies of the County provided in this sub-paragraph 8.47 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

8.48 TERMINATION FOR IMPROPER CONSIDERATION

8.48.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Agreement or the making of any determinations with respect to the Contractor's performance pursuant to this Agreement. In the event of such termination, the County shall be entitled to pursue the

same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.48.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.48.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.49 TERMINATION FOR INSOLVENCY

8.49.1 The County may terminate this Agreement forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.49.2 The rights and remedies of the County provided in this subparagraph 8.49 shall not be exclusive and are in addition to

any other rights and remedies provided by law or under this Agreement.

8.50 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Agreement.

8.51 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Agreement, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.52 UNLAWFUL SOLICITATION

Contractor shall inform all of its officers and employees performing services hereunder of the provisions of Article 9 of Chapter 4 of Division 3 (commencing with section 6150) of Business and Professions Code of the State of California (i.e. State Bar Act provisions regarding unlawful solicitation as a runner or capper for

attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of said provisions by its officers and employees. Contractor agrees that if a patient requests assistance in obtaining the services of any attorney, it will refer the patient to the attorney referral service of all those bar associations within Los Angeles County that have such a service.

8.53 VALIDITY

If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

8.54 WAIVER

No waiver by the County of any breach of any provision of this Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this subparagraph 8.54 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

8.55 WARRANTY AGAINST CONTINGENT FEES

8.55.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any Agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.55.2 For breach of this warranty, the County shall have the right to terminate this Agreement and, at its sole discretion, deduct from the Agreement price or consideration, or

otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.56 CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

- 8.56.1 Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through Agreement are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.
- 8.56.2 Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Agreement will maintain compliance, with Los Angeles Code Chapter 2.206.

8.57 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.56 - Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program shall constitute default under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this Agreement and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

9.0 UNIQUE TERMS AND CONDITIONS

9.1 COMPLIANCE WITH THE COUNTY'S LIVING WAGE PROGRAM

9.1.1 Living Wage Program

This Agreement is subject to the provisions of the County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as Exhibit J and incorporated by reference into and made a part of this Agreement.

9.1.2 Payment of Living Wage Rates

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that the Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to the County, including, without limitation, "Travel Time" as defined below at subsection 5 of this Subparagraph 9.1.2 under the Agreement:
 - a. Not less than \$11.84 per hour if, in addition to the per-hour wage, the Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or

- b. Not less than \$9.64 per hour if, in addition to the per-hour wage, the Contractor contributes at least \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. The Contractor will be deemed to have contributed \$2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during the Agreement, the Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.
2. For purposes of this sub-paragraph, "Contractor" includes any subcontractor engaged by the Contractor to perform services for the County under the Agreement. If the Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. "Employee" means any individual who is an employee of the Contractor under the laws of California, and who is providing full-time services to the Contractor, some or all of which are provided to the County under the Agreement. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such

by the County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

3. If the Contractor is required to pay a living wage when the Agreement commences, the Contractor shall continue to pay a living wage for the entire term of the Agreement, including any option period.
4. If the Contractor is not required to pay a living wage when the Agreement commences, the Contractor shall have a continuing obligation to review the applicability of its “exemption status” from the living wage requirement. The Contractor shall immediately notify the County if the Contractor at any time either comes within the Living Wage Program’s definition of “Employer” or if the Contractor no longer qualifies for an exception to the Living Wage Program. In either event, the Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Agreement, including any option period. The County may also require, at any time during the Agreement and at its sole discretion, that the Contractor demonstrate to the County’s satisfaction that the Contractor either continues to remain outside of the Living Wage Program’s definition of “Employer” and/or that the Contractor continues to qualify for an exception to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the County, the Contractor shall immediately be required to pay the living wage for the remaining term of the Agreement, including any option period.

5. For purposes of the Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Agreement, "Travel Time" shall have the following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this Agreement, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time; and 2) With respect to travel by an Employee between County facilities that are subject to two different Agreements between the Contractor and the County (of which both Agreements are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time.

9.1.3 Contractor's Submittal of Certified Monitoring Reports

The Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of the Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of the Contractor's current health care benefits plan, and the

Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County (Exhibit K and Exhibit L), or other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

9.1.4 Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of the Agreement, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's Agreement with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operations in California.

9.1.5 County Auditing of Contractor Records

Upon a minimum of twenty-four (24) hours' written notice, the County may audit, at the Contractor's place of business, any of the Contractor's records pertaining to the Agreement, including all documents and information relating to the certified monitoring reports. The Contractor is required to maintain all such records in California until the expiration of four (4) years from the date of final payment under the Agreement. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

9.1.6 Notifications to Employees

The Contractor shall place County-provided living wage posters at each of the Contractor's places of business and locations where the Contractor's Employees are working. The Contractor shall also distribute County-provided notices to each of its Employees at least once per year. The Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Employees.

9.1.7 Enforcement and Remedies

If the Contractor fails to comply with the requirements of this sub-paragraph, the County shall have the rights and remedies described in this sub-paragraph in addition to any rights and remedies provided by law or equity.

1. Remedies For Submission of Late or Incomplete Certified Monitoring Reports. If the Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not

properly certified, any such deficiency shall constitute a breach of the Agreement. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. Withholding of Payment. If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until the Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
- b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of \$100 per monitoring report for each

day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

- c. Termination. The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Agreement. In the event of such material breach, the County may, in its sole discretion, terminate the Agreement.

- 2. Remedies for Payment of Less Than the Required Living Wage. If the Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Agreement. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. Withholding Payment. If the Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its Employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

- b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.
 - c. Termination. The Contractor's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Agreement. In the event of such material breach, the County may, in its sole discretion, terminate the Agreement.
3. Debarment. In the event the Contractor breaches a requirement of this sub-paragraph, the County may, in its sole discretion, bar the Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code, Chapter

2.202, Determinations of Contractor Non-Responsibility
and Contractor Debarment.

9.1.8 Use of Full-Time Employees

The Contractor shall assign and use full-time Employees of the Contractor to provide services under the Agreement unless the Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time Employees based on staffing efficiency or County requirements for the work to be performed under the Agreement. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time Employees for services provided under the Agreement unless and until the County has provided written authorization for the use of same. The Contractor submitted with its proposal a full-time Employee staffing plan. If the Contractor changes its full-time Employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the County.

9.1.9 Contractor Retaliation Prohibited

The Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any Agreement benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this sub-paragraph may constitute a material breach of the Agreement. In the event of such material breach, the County may, in its sole discretion, terminate the Agreement.

9.1.10 Contractor Standards

During the term of this Agreement, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, the Contractor shall demonstrate to the satisfaction of the County that the Contractor is complying with this requirement.

9.1.11 Neutrality in Labor Relations

The Contractor shall not use any consideration received under the Agreement to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining Agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

9.2 HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 (HIPAA) AND THE HEALTH CARE INFORMATION TECHNOLOGY FOR ECONOMIC AND CLINICAL HEALTH ACT

The County is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH). Under this Agreement, the Contractor provides services to the County and the Contractor receives, has access to, and/or creates Protected Health Information as defined in Exhibit N in order to provide those services. The County and the Contractor therefore agree to the

terms of Exhibit N, Contractor's Obligations As a "Business Associate" Under Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH) (Business Associate Agreement).

9.3 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM

- 9.3.1 This Agreement is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.
- 9.3.2 The Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.
- 9.3.3 The Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.
- 9.3.4 If the Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Agreement to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the Agreement amount and what the County's costs would have been if the Agreement had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of the Agreement; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the state and OAAC of this information prior to responding to a solicitation or accepting a Agreement award.

9.4 CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification, Exhibit O, the County seeks to ensure that all County Contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either Agreement termination or debarment proceedings or both. (County Code Chapter 2.202).

9.5 NO INTENT TO CREATE A THIRD PARTY BENEFICIARY AGREEMENT

Notwithstanding any other provision of this Agreement, the parties do not in any way intend that any person shall acquire any rights as a third party beneficiary of this Agreement.

9.6 REPORTING OF CHILD/ELDER AND DEPENDENT ADULT ABUSE

9.6.1 Contractor staff working on this Agreement shall comply with California Penal Code (hereinafter "PC") Section 11164 et seq. and shall report all known and suspected instances of child abuse to an appropriate child protective agency, as mandated by these code sections. Child abuse reports shall be made by telephone to the Department of Children and Family Services hotline at (800) 540-4000 within three (3) business days and shall submit all required information, in accordance with the PC Sections 11166 and 11167.

9.6.2 Contractor staff working on this Agreement shall comply with California Welfare and Institutions Code (WIC), Section 15600 et seq. and shall report all known or suspected instances of physical abuse of elders and dependent adults either to an appropriate County adult protective services agency or to a local law enforcement agency, as mandated by these code sections. The Contractor staff working on this Agreement shall make the report on such abuse, and shall submit all required information, in accordance with the WIC Sections 15630, 15633 and 15633.5.

9.6.3 Contractor staff's failure to report as required is considered a breach of this Agreement subject to immediate termination and is also a misdemeanor, punishable by up to one year in jail, a fine of up to \$5,000 or both.

IN WITNESS WHEREOF, Contractor has executed this Agreement, or caused it to be duly executed and the County of Los Angeles, by order of its Board of Supervisors has caused this Agreement to be executed on its behalf by the Chair of said Board and attested by the Executive Officer-Clerk of the Board of Supervisors thereof, the day and year first above written.

I hereby certify that pursuant to Section 25103 of the Government Code, delivery of this document has been made.

Additionally, the Contractor may provide outreach public health dental services to minor children under the age of fourteen (14) years. Such services shall include, but are not limited to, the provision of administrative, support and professional staff. Contractor must perform to the standards stated within any accreditation and licensing requirements set by any regulatory agency, including, but not limited to The Joint Commission and California Medical Association.

2.0 DEFINITIONS:

2.1 Acceptable Quality Level (AQL): The Acceptable Quality Level is the maximum allowable leeway or variance from a performance standard before the County will reject the specific service and may make Unsatisfactory Performance Deductions from payment to the Contractor, as described in the PRS. An AQL does not allow the Contractor to knowingly offer unsatisfactory service, but recognizes that defective performance may sometimes occur. If the defective performance does not exceed the AQL, the County will accept the service and will not make unsatisfactory performance deductions.

2.2 Administrator: The Administrator is the County's Chief Executive Officer of the Comprehensive Health Center, or his duly authorized designee.

- 2.3 Broken/Cancelled Appointments: The number of scheduled patients who did not show up for the clinic session or who cancelled the appointment.
- 2.4 Clinic Session: A period of time per provider set aside in advance for the purpose of delivering specific services to patients in an organized manner.
- 2.5 Contract Discrepancy Report (CDR): The Contract Discrepancy Report is a County issued report used by the County's Quality Assurance Evaluator to record Agreement information regarding discrepancies or problems with the Contractor's performance. If the Contractor's performance is judged unsatisfactory, the Quality Assurance Evaluator shall forward a Contract Discrepancy Report to the Contractor for his response.
- 2.6 Culturally Appropriate: "Culturally Appropriate" shall mean the capacity of Contractor staff to effectively identify the health practices and behaviors of target populations; design programs, interventions, and services which effectively address cultural and language barriers to the delivery of appropriate and necessary health care services; and to evaluate and contribute to the ongoing improvement of these efforts, including, but not limited to, access to care, patient satisfaction, promoting compliance with treatment regimens, and the promotion of more effective health efforts.
- 2.7 Dental Director: Dental Director is the Facility's Project Manager as defined in the Agreement, Section 2.0, subsection 2.7. The Dental Director will provide program direction to the Contractor.

health professionals to communicate effectively in the language of the patient population to ensure that patients understand and are willing to follow post treatment instructions.

- 2.9 Patient Mix: Patient Mix refers to the various types of CHC patients, e.g., adult, children, adolescent, CHDP, General Relief, emergency, and elective.
- 2.10 Patient Visit: A primary dental service provided to a patient with a dental need by one (1) or more members of the unit staff present during a clinic session. The maximum number of clinic visits per patient per categorical clinic session is one (1).
- 2.11 Performance Requirements Summary Chart (PRS): The Performance Requirements Summary Chart, Exhibit C, Technical Exhibits, Technical Exhibit 1, which summarizes certain required services under the Agreement, key performances indicators, service standards, maximum allowable deviations from perfect performance before Unsatisfactory Performance Deductions may be applied, County method(s) of monitoring, and the amount of unsatisfactory performance deductions.
- 2.12 Provider: A Provider is defined as a Board certified physician in a specialty area licensed to practice in the State of California as well as any clinic employee who assumes primary judgment in the diagnosis and/or treatment of a patient during a clinic session. Provider subcategories to include: Clinician (Dentist), Mid-Level Provider (Dental Hygienist), and Other Staff (Dental Assistant, X-Ray Tech).

2.13 Quality Assurance Monitoring Plan (QAMP): The Quality Assurance Monitoring Plan is a document for County use in monitoring the Contractor's performance for each service listed in the PRS Chart.

2.14 Support Staff: Any non-clinical or certified employee who carries out, assists or dispenses orders under the supervision of a provider. Support staff does not exercise independent judgment in the treatment of patients. Support staff categories include clerical, administrative, and attendant staff.

3.0 DENTAL SERVICES AT THE CHC:

3.1 Contractor shall function as the Dental Service Program of the CHC and shall report to and be responsible to the Dental Director. Contractor shall have the authority and responsibility for assuring that established CHC policies, as they relate to CHC dental services, as they exist now or may exist in the future, are carried out, and that the overall coordination and integration of dental services are maintained. Contractor's management staff, as mutually agreed between Contractor and Dental Director, shall function as part of CHC's management team in an effort to reduce costs, increase productivity and enhance the quality and level of dental services provided.

3.2 Contractor shall provide services in prevention, detection and treatment of dental problems to all patients presenting themselves to the CHC consistent with established standards of care by the Joint Commission, California Medical Association, and any other agencies' standards that must be

complied with. The more common problems are those requiring extractions, fillings of cavities, root canal procedures and treatment of various tooth and gum diseases. All patient care procedures must adhere to CHC Dental Services Policy and Procedures Manual and any new procedures as determined by the County. For a historical perspective on number of procedures to be provided by Contractor, see Exhibit C, Technical Exhibits, Technical Exhibit 2, Estimated Number of Facility Annual Procedures.

Patients diagnosed as having a communicable disease shall be treated while using the most recent infection and control procedures established by the County. Contractor shall be required to coordinate its services with the County's Public Health Investigation/Public Health Nursing Service as provided in the CHC Policy and Procedure Manual.

average no less than twenty (20) prosthetic units per month. For this purpose, a prosthetic unit is a removable full or partial denture, a cast crown, or pontic. For example, a three unit fixed bridge is considered three prosthetic units. A non-cast partial denture that replaces no more than two (2) teeth is considered a half unit. Preformed plastic or metal crowns are not considered definitive treatment. Priorities for prosthetic services are included in CHC's Dental Services Policy and Procedures Manual.

All patients diagnosed with conditions requiring same-day-services as determined by a licensed dentist will be treated that same workday unless the patient requires a procedure not normally offered at the CHC. In such a case, referral will be arranged that same workday by the Contractor's Dentist. Patients presenting themselves to the dental clinic as emergency patients who are actually seeking non-emergency elective procedures may be scheduled for a future appointment after screening.

Contractor shall provide a copy of said Plan to the Administrator prior to the commencement of services hereunder and such Plan shall be reviewed annually or as changes occur. The Plan and any changes thereto shall be subject to the prior written approval of the Administrator. The Plan shall include, but is not limited to, the following:

- The methods for identifying and preventing deficiencies in the quality of

services performed before the level of performance becomes unacceptable, including, but not limited to, patient waiting time, complete and timely reports, audits and peer reviews.

- The methods for continuing to ensure provision of dental services to CHC in the event of an employee shortage or strike.
- The methods to ensure the maintenance of the confidentiality of patient records while in the custody of the Contractor and to ensure that records are not removed from the CHC.

10.0 PERFORMANCE MONITORING: The Quality Assurance Evaluator (QAE), as defined in the Agreement, Subsection 2.10, shall monitor the Contractor's performance under this Agreement using procedures specified in the PRS. All monitoring observations shall be recorded by the County. Significant deviation from performance standards as indicated in the PRS may result in unsatisfactory performance deductions being applied against the Monthly Charge.

10.1 If performance standards discrepancies are noted by the QAE, a Contract Discrepancy Report (CDR), Exhibit C, Technical Exhibit 3, shall be issued to Contractor indicating all discrepancies.

10.2 Upon receipt of a CDR, Contractor shall respond in writing to the Facility Project Manager within five (5) work days acknowledging the reported discrepancy(ies) or presenting contrary evidence and presenting a program for immediate correction of all failures in performance which have been identified.

10.3 Contractor shall remedy any performance defect identified by re-performance of the work or corrective action despite imposition of Unsatisfactory Performance Deductions.

10.4 Dental Supervisor shall meet with the Facility's Project Manager, or his designee, weekly for the first two (2) months of the Agreement term and at regularly scheduled intervals, as mutually agreed upon, during the remaining term of the Agreement. The purpose of such meetings shall be for the exchange of information between the Facility's Project Manager and the Contractor, and for the discussion of policy and procedural matters relevant to the Contractor's performance and the County's monitoring function.

11.0 DENTAL CLINIC SECURITY:

11.1 Contractor shall be responsible for safeguarding all County and Contractor property provided for the Contractor's use. At the close of each workday, all supplies, equipment, and other personal property shall be secured by Contractor. Contractor shall be responsible for immediately reporting to Administrator any theft or loss of equipment, supplies and other personal property.

11.2. Contractor shall establish and implement methods of insuring that all keys issued to Contractor by the County are not lost or misplaced and are not used by unauthorized persons. No keys issued to Contractor by the County shall be duplicated. Contractor shall develop procedures assuring adequate key control. Contractor shall provide

the Facility Project Monitor with a list of all Contractor personnel who have been issued keys. County shall maintain the master keys for the facility. Any lost keys shall be reported to the Facility Project Monitor within one workday of the discovery of the lost key. Contractor shall be required to pay the cost of any re-keying required due to Contractor's negligence, as determined by County.

- 11.3 Contractor shall not be held responsible for loss of County equipment, supplies or other personnel property after applying adequate physical security measures.

12.0 GOVERNMENT OBSERVATIONS: County and personnel from other governmental jurisdictions, other than the County personnel described within this Agreement may from time to time observe Agreement operations. However, these personnel will not unreasonably interfere with Contractor performance.

13.0 MANAGEMENT INFORMATION SYSTEM: Contractor is to use the County's computer information system to enter patient identification and appointment tracking information and billing information on a daily basis.

14.0 EQUIPMENT INVENTORY:

- 14.1 Prior to the commencement of dental services hereunder, Facility Project Monitor and Contractor shall take a complete inventory of all equipment, including, but not limited to, dental office equipment, small

hand tools, and other personal property of the dental services in the CHC for each such item, as indicated in the Facility Provided Dental Equipment Inventory List in Exhibit C, Technical Exhibit 4.

14.2 At the expiration or prior termination of the term of any resultant Agreement, Facility Project Monitor and Contractor shall take another inventory. Contractor shall return to County the same quantity and quality of items as specified in the beginning inventory less consideration for normal wear and tear.

14.3 Contractor shall return to County any other equipment or personal property which may have been provided to Contractor for its performance hereunder in the same quantity and quality as provided, as determined by County, less consideration for normal wear and tear.

14.4 At the expiration or prior termination of the term of any resultant Agreement, Contractor shall reimburse County, for any missing or broken County equipment and other personal property it has been provided hereunder, or County may deduct such cost from any amounts due to Contractor from County.

15.0 PERFORMANCE REQUIREMENTS SUMMARY (PRS):

15.1 Listings of Services used in the Performance Requirements Summary Chart, Exhibit C, Technical Exhibit 1, are intended to be completely consistent with the Agreement and the body of this SOW, and are not meant in any case to create, extend, revise, or expand any obligation

of Contractor beyond that defined in the Agreement and the body of this SOW. In any case of any inconsistency between Services as stated in the Agreement and the body of this SOW and Exhibit C, Technical Exhibit 1, PRS Chart, the meaning apparent in the Agreement and the body of this SOW shall prevail. If any service seems to be created in this PRS which is not clearly and forthrightly set forth in the Agreement and the body of this SOW, that apparent service will be null and void and place no requirement upon Contractor.

- 15.2 The Contractor is expected to perform all services described herein. The PRS describes certain required services which will be monitored by the QAE during the term of the Agreement, and for which the Contractor may be assessed financial deductions (Unsatisfactory Performance Deductions) from the Monthly Charge if the service has not been satisfactorily provided. The PRS Chart indicates the SOW section of the performance standard (Column 1), the performance standard (Column 2), the maximum allowable deviations from requirement or the Acceptable Quality Level (AQL) before Unsatisfactory Performance Deductions shall be applied (Column 3), the method of monitoring (Column 4), and the Unsatisfactory Performance Deductions which shall be made from the Monthly Charge/Agreement price for exceeding the AQL (Column 5), if the

County determines, in its sole discretion, that the particular service has not been satisfactorily provided. The County expects a high standard of Contractor performance under the Agreement and shall monitor a broad range of services specified in the Agreement beyond those listed in the PRS. DHS will make every effort to work with the Contractor to resolve any areas of difficulty. However, it is the Contractor's responsibility to satisfactorily provide all the services in the SOW, some of which are summarized in the PRS Chart.

15.3 Quality Assurance

Contractor's performance shall be compared each calendar month to the performance standards and AQLs using the Quality Assurance Monitoring Plan (QAMP).

The County shall use a variety of methods to evaluate the Contractor's performance. The methods of monitoring that may be used are:

- One hundred percent inspection (review) of maintenance records.
- Complaints received by facility.
- County Administrative and support staff complaints.
- Random sampling of dental radiographs, records, referrals, reports and logs. An audit shall be performed by the Quality Assurance Evaluator (QAE).
- Patient survey and/or random patient interviews.

- Other methods deemed by the Administrator to be appropriate for the evaluation of the Contractor's performance.

15.4 Criteria for Acceptable and Unacceptable Performance

Performance of a listed service is considered acceptable when the number of deficiencies found by the QAE during Agreement monitoring does not exceed the number of deficiencies allowed by the AQL for that service. When the performance is unacceptable, the Contractor shall complete a CDR which will be provided to the Contractor by the Facility's Project Manager or Facility's Project Monitor. The CDR requires the Contractor to explain in writing why performance was unacceptable, how performance will be returned to an acceptable level, and how recurrence of the problem will be prevented. Unacceptable service performance shall result in Unsatisfactory Performance Deductions as described in Section 15.5 below.

Notwithstanding a finding of unsatisfactory service performance and imposition of Unsatisfactory Performance Deductions, the Contractor must, as soon as possible, remedy any and all deficiencies in the provision of services, and, as deemed possible or feasible by the Director perform such services again at an acceptable level.

15.5 Unsatisfactory Performance Deductions

If the service performance variance exceeds the AQL, the County

shall assess Unsatisfactory Performance Deductions in the amount of Fifty Dollars (\$50) for each point over and above the maximum allowable of ten cumulated points per calendar month for all services shown on the PRS Chart, provided that all determinations to levy such amounts shall be subject to the approval of the Administrator. The Administrator shall evaluate the Contractor's explanation on the CDR, and if the Director determines, in his sole discretion, that the particular defective performance for the particular service was caused by County's failure to fulfill contractual obligations, accident, strike, or similar occurrence beyond the control and without the fault or negligence of the Contractor, then the Director may decline to count such point(s) as defective performance for such month. A point system shall be used to determine the amount of Unsatisfactory Performance Deductions to be assessed when the performance variance exceeds the AQL. Points for all services on the Chart will accumulate each calendar month. A maximum of ten (10) points shall be allowed to accumulate per calendar month before a deduction can be made from the Monthly Charge. For example, if the cumulative point total for all required services for a particular month is seven (7), no assessment for Unsatisfactory Performance Deductions shall be made because seven is within the maximum allowable points per month. However, if the total cumulative points for the month is thirty

(30), the assessed Unsatisfactory Performance Deductions would be One Thousand Dollars \$1,000.00 (i.e. 20 points x \$50.00).

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

In Los Angeles County: 1-877-BABYSAFE 1-877-222-5728

www.babysafein.org

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del periodo de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

PROP A - LIVING WAGE PROGRAM

EXHIBITS J, K & L

2.201.010 Findings.

The board of supervisors finds that the county of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers' failure to pay a living wage to their employees causes them to use such services thereby placing an additional burden on the county of Los Angeles. (Ord. 2007-0011 § 1, 2007: Ord. 99-0048 § 1 (part), 1999.)

2.201.020 Definitions.

The general definitions contained in Chapter 2.02 shall be applicable to this chapter unless inconsistent with the following definitions:

A. "County" includes the county of Los Angeles, any county officer or body, any county department head, and any county employee authorized to enter into a Proposition A contract or a cafeteria services contract with an employer.

B. "Employee" means any individual who is an employee of an employer under the laws of California, and who is providing full time services to an employer, some or all of which are provided to the county of Los Angeles under a Proposition A contract, or under a cafeteria services contract at a county of Los Angeles owned or leased facility.

C. "Employer" means:

1. An individual or entity who has a contract with the county:

a. For services which is required to be more economical or feasible under Section 44.7 of the Charter of the county of Los Angeles, and is not listed as an excluded contract in Section 2.121.250 B of the Los Angeles County Code, referred to in this chapter as a "Proposition A contract," or

b. For cafeteria services, referred to in this chapter as a "cafeteria services contract," and

c. Who has received or will receive an aggregate sum of \$25,000.00 or more in any 12 month period under one or more Proposition A contracts and/or one or more cafeteria services contracts; or

2. An individual or entity that enters into a subcontract with an employer, as defined in subsection C1 and who employs employees to provide services under the employer's contract with the county.

D. "Full time" means a minimum 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the chief administrative officer, but in no event less than 35 hours worked per week.

E. "Proposition A contract" means a contract governed by Title 2, Section 2.121.250 et seq. of this code, entitled Contracting with Private Business. (Ord. 2007-0011 § 2, 2007: Ord. 99-0048 § 1 (part), 1999.)

2.201.030 Prospective effect.

This chapter shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments the terms of which commence three months or more after the effective date of this chapter.* It shall not be applicable to Proposition A contracts or cafeteria services contracts or their amendments in effect before this chapter becomes applicable. (Ord. 99-0048 § 1 (part), 1999.)

* **Editor's note:** Ordinance 99-0048, which enacted Ch. 2.201, is effective on July 22, 1999.

2.201.040 Payment of living wage.

A. Employers shall pay employees a living wage for their services provided to the county of no less than the hourly rates set under this chapter. The rates shall be \$9.64 per hour with health benefits, or \$11.84 per hour without health benefits.

B. To qualify for the living wage rate with health benefits, an employer shall pay at least \$2.20 per hour towards the provision of bona fide health care benefits for each employee and any dependents during the term of a Proposition A contract or a cafeteria services contract. Proof of the provision of such benefits must be submitted to the county for evaluation during the procurement process to qualify for the lower living wage rate in subsection A of this section. Employers who provide health care benefits to employees through the county department of health services community health plan are deemed to have qualified for the lower living wage rate in subsection A of this section.

C. The board of supervisors may, from time to time, adjust the amounts specified in subsections A and B of this section, above for future contracts. Any adjustments to the living wage rate specified in subsections A and B that are adopted by the board of supervisors shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments which become effective three months or more after the effective date of the ordinance that adjusts the living wage rate. (Ord. 2007-0011 § 3, 2007; Ord. 99-0048 § 1 (part), 1999.)

2.201.050 Other provisions.

A. Full Time Employees. An employer shall assign and use full time employees to provide services under a Proposition A contract or a cafeteria services contract, unless the employer can demonstrate to the county the necessity to use non-full time employees based on staffing efficiency or the county requirements of an individual job.

B. Neutrality in Labor Relations. An employer shall not use any consideration received under a Proposition A contract or a cafeteria services contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of an employer's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

C. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue

interpretations of the provisions of this chapter. The chief administrative officer in conjunction with the affirmative action compliance officer shall issue written instructions on the implementation and on-going administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.

D. Compliance Certification. An employer shall, during the term of a Proposition A contract, or a cafeteria services contract, report for each employee and certify the hours worked, wages paid, and amounts the employer paid for health benefits, and provide other information deemed relevant to the enforcement of this chapter by the county. Such reports shall be made at the times and in the manner set forth in instructions issued by the chief administrative officer in conjunction with the affirmative action compliance officer. The affirmative action compliance officer in conjunction with the chief administrative officer shall report annually to the board of supervisors on contractor compliance with the provisions of this chapter.

E. Contractor Standards. An employer shall demonstrate during the procurement process and for the duration of a Proposition A contract or a cafeteria services contract a history of business stability, integrity in employee relations, and the financial ability to pay a living wage. (Ord. 99-0048 § 1 (part), 1999.)

2.201.060 Employer retaliation prohibited.

No employer shall take an adverse action causing a loss of any benefit of employment, of any contract benefit, or any statutory benefit to any employee, person, or other entity, who has reported a violation of this chapter to the board of supervisors or to one or more of their offices, to the county chief administrative officer, or to the county auditor controller, or to the county department administering the Proposition A contract or cafeteria services contract. (Ord. 99-0048 § 1 (part), 1999.)

2.201.070 Employee retention rights.

In the event that any Proposition A contract or cafeteria service contract is terminated by the county prior to its expiration, any new contract with a subsequent employer for such services shall provide for the employment of the predecessor employer's employees as provided in this section.

A. A "retention employee" is an employee of a predecessor employer:

1. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act;

**AGREEMENT
CONTRACTOR'S OBLIGATIONS AS A "BUSINESS ASSOCIATE"
UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY
ACT OF 1996 AND THE HEALTH CARE INFORMATION TECHNOLOGY
FOR ECONOMIC AND CLINICAL HEALTH ACT
(BUSINESS ASSOCIATE AGREEMENT)**

Under this Agreement, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to or creates Protected Health Information in order to provide those Services.

Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 (together, the "Privacy and Security Regulations"). The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate ("Business Associate Agreement") in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place.

Further, pursuant to the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 ("HITECH Act"), effective February 17, 2010, certain provisions of the HIPAA Privacy and Security Regulations apply to Business Associates in the same manner as they apply to Covered Entity and such provisions must be incorporated into the Business Associate Agreement.

This Business Associate Agreement and the following provisions are intended to protect the privacy and provide for the security of Protected Health Information disclosed to or used by Business Associate in compliance with HIPAA's Privacy and Security Regulations and the HITECH Act, as they now exist or may hereafter be amended.

Therefore, the parties agree as follows:

DEFINITIONS

- 1.1 "Breach" has the same meaning as the term "breach" in 45 C.F.R. § 164.402.

- 1.2 "Disclose" and "Disclosure" mean, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate's internal operations or to other than its employees.
- 1.3 "Electronic Health Record" has the same meaning as the term "electronic health record" in the HITECH Act, 42 U.S.C. section 17921. Electronic Health Record means an electronic record of health-related information on an individual that is created, gathered, managed, and consulted by authorized health care clinicians and staff.
- 1.4 "Electronic Media" has the same meaning as the term "electronic media" in 45 C.F.R. § 160.103. Electronic Media means (1) Electronic storage media including memory devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk, optical disk, or digital memory card; or (2) Transmission media used to exchange information already in electronic storage media. Transmission media include, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission. The term "Electronic Media" draws no distinction between internal and external data, at rest (that is, in storage) as well as during transmission.
- 1.5 "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.
- 1.6 "Individual" means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g).
- 1.7 "Minimum Necessary" refers to the minimum necessary standard in 45 C.F.R. § 162.502 (b) as in effect or as amended.
- 1.8 "Privacy Rule" means the Standards for Privacy of Individually Identifiable Health Information at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164, also referred to as the Privacy Regulations.

- 1.9 "Protected Health Information" has the same meaning as the term "protected health information" in 45 C.F.R. § 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity. Protected Health Information includes information that (i) relates to the past, present or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is made accessible to Business Associate by Covered Entity. "Protected Health Information" includes Electronic Health Information.
- 1.10 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.
- 1.11 "Security Incident" means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. However, Security Incident does not include attempts to access an Information System when those attempts are not reasonably considered by Business Associate to constitute an actual threat to the Information System.
- 1.12 "Security Rule" means the Security Standards for the Protection of Electronic Health Information also referred to as the Security Regulations at 45 Code of Federal Regulations (C.F.R.) Part 160 and 164.
- 1.13 "Services" has the same meaning as in the body of this Agreement.
- 1.14 "Unsecured Protected Health Information" has the same meaning as the term "unsecured protected health information" in 45 C.F.R. § 164.402.

- 1.15 "Use" or "Uses" mean, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate's internal operations.
- 1.16 Terms used, but not otherwise defined in this Business Associate Agreement shall have the same meaning as those terms in the HIPAA Regulations and HITECH Act.

- (c) shall not directly or indirectly receive payment in exchange for Protected Health Information, except with the prior written consent of Covered Entity and as permitted by the HITECH Act. This prohibition shall not effect payment by Covered Entity to Business Associate. Covered Entity shall not provide such written consent except upon express approval of the departmental privacy officer and only to the extent permitted by law, including HIPAA and the HITECH Act.

2.3 Adequate Safeguards for Protected Health Information. Business Associate:

- (a) shall implement and maintain appropriate safeguards to prevent the Use or Disclosure of Protected Health Information in any manner other than as permitted by this Business Associate Agreement. Business Associate agrees to limit the Use and Disclosure of Protected Health Information to the Minimum Necessary in accordance with the Privacy Regulation's minimum necessary standard as in effect or as amended.
- (b) as to Electronic Protected Health Information, shall implement and maintain administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of Electronic Protected Health Information; effective February 17, 2010, said safeguards shall be in accordance with 45 C.F.R. If the law enforcement official's statement is in writing and specifies the time for which a delay is required, Business Associate shall delay notification, notice, or posting for the time period specified by the official; if the statement is made orally, Business Associate shall document the statement, including the identity of the official making the statement, and delay notification, notice, or posting temporarily and no longer than 30 days from the date of the oral statement, unless a written statement as described in paragraph (a) of this section is submitted during that time.

2.5 Mitigation of Harmful Effect. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate

of a Use or Disclosure of Protected Health Information by Business Associate in violation of the requirements of this Business Associate Agreement.

- 2.6 Breach Notification. Business Associate shall, to the extent Covered Entity determines that there has been a Breach of Unsecured Protected Health Information, provide Breach notification for each and every Breach of Unsecured Protected Health Information by Business Associate, its employees, representatives, agents or subcontractors, in a manner that permits Covered Entity to comply with its obligations under Subpart D, Notification in the Case of Breach of Unsecured PHI, of the Privacy and Security Regulations, including:

[Optional, to be used when all Uses and Disclosures permitted in order to perform the Services will be for the Covered Entity's payment or health care operations activities: However, Business Associate is not required to provide an Accounting of Disclosures that are necessary to perform the Services because such Disclosures are for either payment or health care operations purposes, or both.]

Any accounting provided by Business Associate under this Section 2.10 shall include: (a) the date of the Disclosure; (b) the name, and address if known, of the entity or person who received the Protected Health Information; (c) a brief description of the Protected Health Information disclosed; and (d) a brief statement of the purpose of the Disclosure. Business Associate shall provide to Covered Entity, within ten (10) business days after receipt of request from Covered Entity, information collected in accordance with this Section 2.10 to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528. If Business Associate maintains an Electronic Health Record, Business Associate shall provide such information in electronic format to enable Covered Entity to fulfill its obligations under the HITECH Act.

4.0 TERM AND TERMINATION

- 4.1 Term. The term of this Business Associate Agreement shall be the same as the term of this Agreement. Business Associate's obligations under Sections 2.1 (as modified by Section 4.2), 2.4, 2.5, 2.6, 2.7, 2.8, 2.9, 2.10, 4.3 and 5.2 shall survive the termination or expiration of this Agreement.

- 4.2 Termination for Cause. In addition to and notwithstanding the termination provisions set forth in this Agreement, upon either party's knowledge of a material breach by the other party, the party with knowledge of the other party's breach shall:

- (a) Provide an opportunity for the breaching party to cure the breach or end the violation and terminate this Agreement if the breaching party does not cure the breach or end the violation within the time specified by the non-breaching party;
- (b) Immediately terminate this Agreement if a party has breached a material term of this Agreement and cure is not possible; or
- (c) If neither termination nor cure is feasible, report the violation to the Secretary of the federal Department of Health and Human Services.

- 4.3 Disposition of Protected Health Information Upon Termination or Expiration.

- (a) Except as provided in paragraph (b) of this section, upon termination for any reason or expiration of this Agreement, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.
- (b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions

that make infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Business Associate Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

- 5.2 Use of Subcontractors and Agents. Business Associate shall require each of its agents and subcontractors that receive Protected Health Information from Business Associate, or create Protected Health Information for Business Associate, on behalf of Covered Entity, to execute a written agreement obligating the agent or subcontractor to comply with all the terms of this Business Associate Agreement.
- 5.3 Relationship to Services Agreement Provisions. In the event that a provision of this Business Associate Agreement is contrary to another provision of this Agreement, the provision of this Business Associate Agreement shall control. Medical Health Screening

All potential Contractor personnel shall complete to the satisfaction of County a medical health screening to determine if the person meets the medical criteria and immunizations standards established for the prospective job classification/assignment before commencing services. The Contractor shall use the DHS Forms and medical health screening methodology provided in the Contractor package.

The medical health screening shall be performed by a physician or other licensed healthcare professional (PLHCP) authorized to perform such a physical screening, with such cost at the expense of the Contractor. If the Contractor chooses to have the DHS Employee Health Services (EHS) perform such assessments and screening, the Contractor will be billed for the services regardless if the Contractor's staff passes or fails the screening. Contractor personnel shall present a letter on Contractor letterhead authorizing personnel to obtain the screening from DHS' EHS. DHS EHS will bill the Contractor for the cost and/or deduct the amount from funds owed.

Contractor personnel shall provide DHS EHS with documentation of health screenings and evidence of the absence of communicable diseases using the County's "Health Clearance Certification, E2" form. The Certification form must be completed by the prospective Contractor personnel and their health care provider, then by the Contractor attesting verification of completion of DHS forms.

The Contractor must provide DHS EHS with the source documents for review within four (4) hours of a request. Source documents pertaining to the pre-employment health evaluation, Tuberculosis, Respiratory Fit Testing, and other immunizations will be maintained by the contractor. Failure to provide appropriate source documentation of health screenings/clearance will result in immediate termination of assignment and placement of Contractor's personnel in a "Do Not Send" status until compliant.

DHS Facility Staff are required to ensure the Contractor personnel receives the appropriate documents; has submitted them to the facility EHS and has obtained health clearance prior to beginning the work assignment.

No person will be allowed to work at anytime inside a DHS medical facility without appropriate documentation of health screening. In those instances where persons have no demonstrated immunity, and have refused vaccination, a waiver to that effect must be obtained and on file. Lack of immunity to certain diseases will restrict assignment locations within the hospital.

All Contractor personnel who have potential exposure to respiratory hazards and/ or aerosol transmissible disease shall provide appropriate documentation of a respiratory fit test on the same make, model, style, and size of respirator that will be used in facility. If indicated, this requirement is mandatory annually.

Medical Health Screening

Per County policy, Contractor personnel are required to comply with annual health screening. Unless provided for per contract, Contractor personnel shall have their PLHCP conduct the assessment in accordance with County policy and procedures. This documentation is the "Health Clearance Certification, E2". The workforce member will be provided with the necessary documentation for completion and submission to their PLHCP. The PLHCP will complete the documents and submit them to the Contractor, as appropriate, with the completed certification form.

Contractor personnel may be given a 30-day reminder to comply with annual health screening requirements. Contractor personnel who do not comply with annual or other health screening requirements will be given a letter indicating they have five (5) days to comply or face termination of assignment. A copy of the "letter" will be provided to the Contractor personnel's supervisor for action. Failure to provide documentation of health screening/clearance will result in immediate termination of assignment and placement in a "Do Not Send" status until compliant.

Emergency services will be provided post-exposure to Contractor personnel who have potential exposure to occupational hazards within the allowable time frames, but will be billed to the Contractor, as appropriate. Contractor personnel who are exposed to occupational hazard or incur injury while performing their duties for the County will be reported on the OSHA Log 300/301, as required by state and federal regulation and guidelines.

In the event of an occupational needlestick injury or other exposure to Contractor personnel to blood and body fluids or airborne contaminants, medical care will be provided by the DHS EHS or Emergency Room, but will be billed to the Contractor, as appropriate. Contractor personnel may go to the facility DHS EHS or the designated department for initial care within the allowable treatment time frames. Cost of initial treatment will be billed to the Contractor, as appropriate. Subsequent follow-up treatment will be conducted through the appropriate agency's medical provider or the employee's personal physician. If Contractor chooses to have the DHS EHS provide subsequent follow-up care, the Contractor will be billed accordingly.
